4-H CLUB NEWS

by Liz Ilcheff

Last week we had an Awards presentation. All the girls received their year pins and all the awards they might have earned. We are planning a spring hay ride. More information on this at a later date. Mrs. William Steel, our 4-H leader, won her third-year pin and one of our members made the Honor Club. Anyone wishing to join Mrs. Steel's club may call her at her home after December 3, at 892-6073. At this time she will discuss the time and place. New members are always welcome.

Have you always had questions about your community, but didn't know who to ask? That information is no further away than your civic association - The Barcroft School and Civic League. Bring your questions to the civic meetings held the first Thursday of each month, September thru May. Remember to mark your new 1975 calendar. All meetings begin at 8:00 p.m. in the Barcroft Community House, 8th and South Buchanan Streets.

PRESIDENT'S CORNER

Greetings everyone - The Arlington County School Board and the new school Superintendent will be presented at the December meeting of the Arlington County Civic Federation. The program will be under the direction of Mrs. Tori Floyd, chairman of the schools committee. You are invited to attend and take advantage of this opportunity to meet the school officials. There will be a time for questions. The meeting will be held Tuesday, December 3, 8:00 p.m. at the Dawson Terrace Recreation Center, 2133 North Taft Street.

Twenty members and friends of our civic association toured Metro, Sunday, Oct. 20. We met at the Community House and carpooled to the Washington Metropolitan Area Transit Authority headquarters. The Director of Community Services, Cody Pfanstiehl, showed color slides giving a brief history of the planning and designing and compared it with other systems around the world. Then we walked a mile observing the tunnel at various stages of completion. The guides were equipped with radios so we didn't miss out on the Redskin's game.
