PRESIDENT'S CORNER

Greetings everyone - Have you seen the proposed budget figure for Arlington County - \$96 million.

It is hoped residents of Barcroft will take a serious look at this figure and plan to attend public meetings and work sessions to be held this spring and offer recommendations for cutting this proposed budget.

Your civic association president and public relations chairman attended the Barcroft PTA meeting Tuesday, Feb. 18, and announced that the Barcroft School and Civic League had approved a pledge of \$300 to the Barcroft School. The contribution will be used as part of a CICI loan to purchase a log construction for the playground. This will be enjoyed by the children of our community for many years.

On Saturday, February 15, a tour of the Barcroft School, under the direction of Mr. Frank Stewart, principal, was most interesting.
