APRIL 5th MEETING

The BSCL meeting will be held at the historic Barcroft Community House at 8 p.m. This month we will have a representative from the Arl. Police Dept to give us a slide presentation on home security techniques. We will also hear about the police's Operation Identification. Like our March meeting, this should prove very informative. Your officers and board members wish to have as many residents as possible attend and get involved with the community.

MARCH HIGHLIGHTS

Many thanks to Dr. Brandywie and Mr. Hunsucker for showing slides of the Phoebe Hall Knipling Outdoor Laboratory at our March meeting. The Arlington Outdoor Education Association runs the lab with funds from such things as:

■ April at last, the month that tennis moves outdoors and ice skating moves in.

■ Coming, April 15: The first robbin' of spring, when 'tis more deductible to give than to receive, every child not as good as gold is at least worth \$750, and your last feverish wish will be that somehow some fluke will bring you a refund, the next best thing to being shot at and missed.
