President's Corner

The Barcroft School and Civic League is one of 48 civic associations comprising the Arlington County Civic Federation. While not official governmental bodies, the opinions and recommendations of the various civic associations are taken seriously by the Arlington County Board. The Barcroft School and Civic League exists to serve you in this regard. If you are aware of a problem within the community which requires attention, bring it to the attention of one of the officers, or better yet, raise the issue personally at one of our monthly meetings. The Civic Association is an appropriate forum for a wide variety of issues affecting Barcroft.

As is true with all volunteer organizations, the Barcroft School and Civic League can always utilize more help. There are standing and special committees on which to serve: phone calls to make; newsletters to deliver; refreshments to be served; and chores to be done at the community house during our spring & fall field dates. If you would like to help, please let me know. Thank you.
