President's Corner

An excellent presentation on the Northern Virginia HOTLINE highlighted the November meeting. A slide/tape show was followed by an informative question/answer period with Mr. Walter Quinn of HOTLINE. Volunteer listeners are always welcome at HOTLINE, which serves a valuable role in Arlington. If you are interested, call 527-4077.

The status of our request for additional streetlights on several streets in Barcroft was also discussed. Design work has been completed, but the lights cannot be installed this year due to the high cost (about \$20,000) involved. A line item for this project has been included in the budget for next fiscal year, which begins on July 1. If it is approved, we should see some action next summer.

A Happy Holiday Season to each of you!

Rick Elliott, Pres.

Barcroft School & Civic League

Pres. Rick Elliott 979-0379
V. Pres. Mike Slocum 892-4352

____ Hospitality ____ Telephone ____ Beautification

____ Newsletter Distribution ____ Building and Grounds

Announcements

The Arlington County Civic Federation will meet Tuesday, December 2ND at 7:45 P.M. Meetings are held in the dining room of the Woodland Hill Apartment House, located directly across the street from Doctors' Hospital at 610 S. Carlyn Spring Road. Members of the Arlington County School Board and the Superintendent of Schools will be featured guests. They will talk about the latest developments in the public school system and respond to questions from the delegates. You need not be a delegate to attend!

Leaf Collection: Leaf collection began November 3RD, and will continue until late December. Crews operating 16 vacuum trucks will attempt to complete 3 passes through all 32 leaf collection routes in Arlington County. While exact pickup dates cannot be predicted due to the uncertainties of weather, rate of leaf fall, and equipment breakdown, an approximate idea of when crews will be in the neighborhood can be gotten by looking at the maps posted in all Libraries, Community and Recreation Centers, Human Resource Centers, and at the Court House. These maps, which are updated weekly, portray all collection routes and indicate where crews are currently working.

To assist in the collection effort, residents are requested to rake leaves to the curblines in clearly defined piles which are free of sticks, stones, cans and other trash which could damage the vacuums.
