We have about 750 households in our Barcroft Community and of that number we will have 12 members trained at the end of this current (March) session. That is a good start on an attempt to have one out of every four persons, or at least one out of every household trained in CPR in Barcroft. Future classes will be arranged if you cannot get into the April class. It is convenient having our CPR classes in our Community Center, but if you wish to get going on a class at a time more convenient to you, call the Red Cross on Arlington Blvd. 527-3010 for a class there in CPR or a First Aid Class as well.

HOME SHARING, OPERATION MATCH by the Housing Section, Arlington County Holms Bldg., 2100 14<sup>th</sup> St., No., for information call 558-2795.

A new neighbor at our last meeting asked about Operation Community Watch for our community. He is investigating and will report to us for our possible consideration and application.

Your President  
Donna Paulsen Anderson

Comment:

Tourism is Arlington's largest industry. The motels, hotels, car rentals, restaurants, etc. employ 10,000 people. It generated \$300,000,000 in 1981; \$8,400,000 was paid directly in taxes. Income for 1982 is projected as \$365,000,000. The increase in taxes paid directly to Arlington is expected to equal and make up for the federal funds lost or cut this year.

Phyllis Kinsey
