Members expressed concerns for parking near the Balston Metro Stop, affordable housing, the heights of buildings, and types of businesses and offices.

A member stated the oil spill in Doctors Run appears to be cleaned up.

ANNOUNCEMENTS: If you have specific requests for future programs, please give us your ideas. Please submit these in writing to Ira Belcher or one of the officers of BSCL.

Anyone wishing to provide a program for our meeting is free and encouraged to do so, as long as it is not commercial in nature, please make arrangements with Ira Belcher or Bill Peine for scheduling.

We will be looking for new ideas from our community so that we may provide programs of interest to all.
